Great starter home with almost an acre of land. The entrance of this lovely two story home leads you into a warm living room and spacious dining room with nice bay windows. Eat-in kitchen with wood cabinets, white appliances, and a breakfast area. Laundry room, and master bedroom on the main floor with full bath, walk-in closet and private sliding door leading to deck. Upper level boasts four bedroom and a full bathroom — enjoy entertaining in the charming enclosed deck overlooking the flat and wooded backyard. House offers a detached two-car garage, driveway, full unfinished basement. Home Needs TLC, being sold As-Is Condition. Priced to SELL!!! Will not last.
